## BOARD OF COMMISSIONERS' PERFORMANCE ASSESSMENT

In general, the Board of Commissioners is in charge of supervising management policies and the course of management both regarding the Company and the Company's business carried out by the Board of Directors. In addition, the Board of Commissioners is also tasked with providing advice to the Board of Directors, including supervising the implementation of the Company's Long Term Plan, Company's Annual Work Plan and Budget, provisions of the Articles of Association and GMS Resolution, as well as law and regulation, for the benefit of the Company in accordance with the aims and objectives of the Company. These tasks have been formulated in the form of Key Performance Indicators (KPI) for the supervision of the Board of Commissioners whose achievements are evaluated every 3 (three) months. The aggregation of evaluation results in 2022 shows that the Board of Commissioners has carried out its supervisory duties well.

### BOARD OF COMMISSIONERS' PERFORMANCE ASSESSMENT BASED ON KPI YEAR 2022

Key Performance Indicators	Achievement Score	
	Point (%)	Score (%)
Planning	18	105
Supervision and Direction	28	108
Reporting	18	100
Dynamic	36	100
Point	100	103

In addition, the performance of the Board of Commissioners is also assessed through a GCG assessment, referring to Resolution of Secretary of the Ministry of SOE No. SK-16/S.MBU/2012 regarding Indicators/Parameters of Assessment and Evaluation of the Implementation of Good Corporate Governance (GCG) in SOE.
